# MOVING TO TORONTO ?

What's the best neighbourhood for me ?
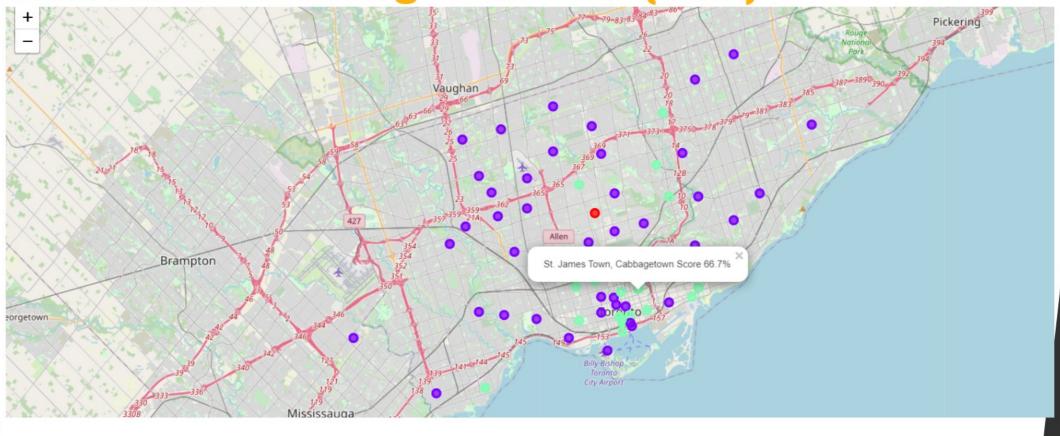

Methodology

→ We define a set of interests

→ In our case we're interested in Coffee places, Parks and restaurants

→ From foursquare API we retrieve all venues and assign a Score to each of them

→ Score as calculated as

- (Number of interests within Top5 venues) / (Total Number of interests)

Best Match (Red)

North Toronto West, Lawrence Park Score 100.0%

Candidate matching 2 out of 3 (blue)

St. James Town, Cabbagetown Score 66.7%

Only 1 match (Green)

Bathurst Manor, Wilson Heights, Downsview North
Score 33.3%

Conlusion

→ Given our interests are

- Having coffees

- Reading books in parks

- And having dinner at restaurants

→ The Best Neighbourhood to move in is North Toronto West, Lawrence Park
